**BACKGROUND:** The Centerville Dev Board stepped out to take a risk to save their local Nursing Home, jobs, etc. in 2013. The SBDC assisted with financial projections and the CDC board with Chad Stroschein, Manager, created a business plan through SEFP's assistance. Today, the beds are filled and they are headed toward financial independence.

**ASSISTANCE/RESULTS:** Business Plan for a Retained business

**QUOTABLE:** *"The Centerville Development Corporation met with the SBDC in completing our financial projections and worked with Nancy Larsen (SEFP) in putting together our business plan. Nancy made sure we considered all aspects involved in operating the business. As a result of our combined efforts, the Centerville Care & Rehab Center has been more successful than we could have imagined,"* quoted Bill Hansen
