NUMBER OF JOBS: 4.5

BACKGROUND: Starting in 1995 as Santi-Kleen, a commercial exhaust cleaning service, Cyndi saw the importance of cleaning meth houses and began expanding her business in that direction with the long-term goal of meth prevention. Since then, Cyndi is creating an instructional DVD to combine with a meth test kit; the goal being to reduce the number of meth labs.

ASSISTANCE REQUESTED: Business Planning

RESULTS: An Expanded Business

QUOTABLE: *"By getting connected with SEFP, Nancy was able to take the chaos of our idea, and turn it into an organized, very knowledgeable business plan. Everyone I meet is so impressed with our business plan; and if they have a question about what Santi Kleen does, I simply refer them to it."*
