NUMBER OF JOBS: 1 Full Time

BACKGROUND: A former paramedic with intensive care experience, she saw many situations where when people change some of their habits they became healthier. Medical personnel are never educated in nutritional planning and this frustrated her. She heard about the Health Coaching Certification program, began classes, and she developed a business plan through SEFP.

ASSISTANCE REQUESTED/ RESULTS: Business Plan for a new business

QUOTABLE: *Nancy Larsen and the SEFP have great marketing ideas and resources. They help you write everything into a complete and organized professional plan and put you in touch with the right people to help you grow your business. This is an invaluable resource available to new business owners in Turner County that I hope is able to continue for future entrepreneurs.*
