

Tim's Pastured Poultry

"State Inspected Processing Facility"

Philip Svartoiien, SEFP President and Luverne Langerock, SEFP board member are presenting the Eisenbeis family with a 1st Dollar of Profit.

**OWNERS: Tim & Anita Eisenbeis
and Larry & Anette Eisenbeis**

LOCATION: Rural Marion

PHONE: 925-4661 or 925-7322

NUMBER OF EMPLOYEES: 2

BACKGROUND: The family has grown broilers for home consumption over 22 years. In 2002 400 broilers were raised for sale; great response. Setting up own State-inspected

portable slaughtering facility in 2003.

Pastured Poultry are raised naturally in portable growing pens that are moved Daily; weekly processing for fresh or frozen poultry.

Pictures taken by Nancy Larsen with Southeastern Electric Cooperative camera.

ASSISTANCE REQUESTED: Business planning and information

RESULTS: An expanded business

QUOTABLE: "On the farm we sometimes delve into new enterprises without doing a thorough business plan which is a crucial element for a venture involving major marketing efforts. Larsen (SEFP) gave us priceless assistance and encouragement toward that end. Mark Slade's (SBDC) help with the financial projections caused us to adjust a number of cost estimates giving us much more confidence on the whole plan."
