BACKGROUND: The Canistota Development Corporation (CDC) was approached in April of 2014 with the idea of a bus transit business in Canistota. After many meetings with members of the CDC and Nancy Larsen from the SEFP, the idea of a bus transit service turned into a Non-Profit 501(c)(3) corporation recognized by the State of South Dakota and the IRS on November 25, 2014. The bus service, known as Canistota Area Bus, will officially start on April 1, 2015.

ASSISTANCE REQUESTED/RESULTS: Business Plan for a new business

QUOTABLE: *"Bus transit was a business that the members of the CDC knew little about, but with the help from Nancy Larson of the SEFP the Canistota Area Bus will haul its first load of passengers on April 7th, 2015. Nancy spent countless hours assisting the CDC with the business plan and the 501(c)3 status for the Non-Profit Corporation. After nearly one year of planning the vision of a bus service will become a reality on April 1st. Thank you to Nancy Larsen for her guidance throughout this process!!" – Chad Keller*
