COMPANY: The Desert Inn

OWNER: Adam Hanssen

LOCATION: 841 State Street in Centerville, SD

PHONE: (605) 563-2913

BACKGROUND: Over the last 10-years Adam worked as a bartender and manager in this business. The owner approached him asking if Adam would be interested in purchasing this business and he thought he would start a feasibility process through SEFP. The business plan was completed in April 2014 and the funding process was more cumbersome than originally thought. Finally January 16, 2015 a purchase agreement was signed.

ASSISTANCE REQUESTED/RESULTS: Business Plan for a retained business

QUOTABLE: *"I appreciate the SEFP services. Organizing a business takes time and a complete business plan would not have been possible without the SEFP and SBDC assistance. Thanks!" – Adam Hanssen*
