NUMBER OF JOBS: 1

BACKGROUND: In 2002, Patricia began working toward the goal of owning her own photography business. She researched her equipment needs, was trained in various settings and by existing business owners and then completed a business plan. She began restoring old photographs, entered some in competition, and began receiving recognition for her work. In 2010 the business was launched and with a child and family focus.

ASSISTANCE REQUESTED: Business Plan, Info, Sales Literature

RESULTS: A new business

QUOTABLE: Nancy assisted me with the development of my business plan and marketing materials. I appreciate the help because I would not have been able to do this alone.
