COMPANY: Langle Construction

OWNER: Travis Langle

LOCATION: Freeman, SD

PHONE: (605) 366-5158

NUMBER OF EMPLOYEES: 4

BACKGROUND: Travis worked construction nine years, attended classes in business, architecture and decided to start his own business. He and his crew are subcontractors, framing structures. Six months later, they are framing the fifth home and have another home plus two 9-plexes to build.

ASSISTANCE REQUESTED: Business Planning & information

RESULTS: A new business.

QUOTABLE: *“Developing a business plan was helpful to me and would never have gotten done without this assistance. Mark Slade of SBDC created the financial proformas needed to complete the ‘plan’, which is invaluable to start a business. The area is fortunate for the vision of community minded individuals and SEFP investors.”*
