QUOTABLE: *"As we were looking at the option of running a business, we found out about SEFP as a resource. I contacted Nancy and she worked with Rita and me at identifying all the opportunities, costs, and problems we could find along the way. Nancy guided and prodded us as it was somewhat overwhelming. I would say that without Nancy (SEFP) or Mark Slade's (SBDC) help, we would never have accomplished what we have. Thank you for SEFP", quoted Keith McVay.*
