COMPANY: Menno Lumber Company

MANAGER: Wes Schaeffer

LOCATION: Menno

PHONE: (605) 387-5165

NUMBER OF JOBS: 5

BACKGROUND: The idea to expand Menno Lumber to include a full hardware store needed research, a positive cash flow and a shared vision from the board of directors. A business plan was completed while researching the start-up costs, potential grant opportunities and selecting the most cost-effective way to build the new facility. Goals were set and the finished product was received as presented; work began and was completed by the end of 2010.

ASSISTANCE REQUESTED: Business Plan & Grant potentials

RESULTS: An expanded business

QUOTABLE: *"Nancy assisted in the business plan and presented it to the Board."*
