RESULTS: A new business

QUOTABLE: *"I was continually surprised and amazed by the depth and extent of knowledge Nancy blessed me with, in this new endeavor. She was encouraging and yet realistic with the uniqueness of my business and it's location and prospects. The knowledge and expertise, that Mark from the SBDC enlightened us with was amazing. His real numbers and current national statistics left no unanswered questions regarding cash flow projections. Their teamwork definitely gave me the "Big Picture" of this adventure."*
