**COMPANY:** Strikes Bar & Bowl

**MANAGER:** Jason Hisel

**LOCATION:** Centerville

**PHONE/EMAIL:** (605) 563-3310

**NUMBER OF JOBS:** 2

**BACKGROUND:** It all began when a local business was advertised for sale and Nancy Larsen was contacted for help in creating a business to see if it would cash flow to our expectations. That led us to a second scenario and ultimately to the management scenario without a major investment.

**ASSISTANCE REQUESTED:** Business Planning

**RESULTS:** A Retained Business

**QUOTABLE:** *“Business Planning is crucial to business success, taking research time, soul searching and goal setting before any numbers can be used to project potential sales, cost of sales and fixed costs. We are thankful for Mark Slade and Nancy Larsen who helped us through the process one step at a time.”*
