

Tschetter Field Tiling LLC

"We Will Drain You Dry"

Standing in front of the tiling machine which runs by a tractor's GPS system is Dale Weiss, SEFP Board President, who is present to hear all about this new field tiling business as Nancy Larsen presents a 1st Dollar of profit to Ron, Loren & Larry.

COMPANY: Tschetter Field Tiling LLC

OWNER: Larry, Loren, & Ron Tschetter

LOCATION: Rural Turner/Hutchinson County; Freeman, SD

PHONE/EMAIL: (605) 925-7009 letschetter@gwtc.net

NUMBER OF JOBS: 3 part time

BACKGROUND: The three Tschetter brothers are landowners with drainage issues who began talking about what could be done to create land that is more productive. Starting their own tiling service was the decision, they purchased the equipment and used it to drain one of Loren's & Larry's fields last fall; what a difference.

ASSISTANCE REQUESTED: Business planning and information

RESULTS: A new business

QUOTABLE: *"Since draining our own fields, the value it will be to other area land owners is only reinforced. We look forward to planting more tillable acres and better crop productivity. This process is also an erosion preventative and gets rid of the salt in the soil. We appreciate the helpful SEFP business services, recommended by Dean Dreessen of Merchants State Bank."*
