COMPANY: Small Engine Doc, LLC; small engine maintenance, repair and overhaul

OWNERS: Joshua and Janea Duus

LOCATION: 45864 291st Street, Viborg, SD 57070

NUMBER OF JOBS: 2 Part-time

BACKGROUND: Joshua wanted to make a business out of what he loves to do—work with his hands and repair small motors. He is a veteran and would like to provide a discount to other service men and women in honor of their sacrifice and service. His services include maintenance, repair, overhaul of small gas engines and some diesel engines as well. He works on lawn mowers, tillers, snow blowers, ATV, golf carts and other types of small engines.

ASSISTANCE/RESULTS: Business Planning for a New Business

QUOTABLE: *“I’m starting out part-time but eventually want to be able to support my family by working for myself. With my wife as a stay home mom to our two children, she is my partner in the business and will be providing the bookkeeping assistance while I do the engine repair.”*
